This full-day course will focus on the following important aspects of US Department of Transportation (US DOT) regulations:

- US Hours of Service regulations;
- The effect on Canadian hours of service regulations in cases of border-crossing;
- Border-crossing and program for efficiency, i.e., SAFE;
- US DOT record-keeping requirements;
- US DOT profiles and their impact on Canadian movement across the border;
- Mandatory drug and alcohol driver testing;
- US DOT audits and what to expect;
- The dividing of driver information in Canadian and US fleets and the rationale for this;
- Required information within files;
- US DOT regulations as they pertain to Canadian drivers; and
- Other basic regulations and general guidelines for operating in the US.

The course is presented in a lecture-discussion-workshop format with presentations. Attendees will be issued a certificate of completion.
