

BC Trucking Association Retirement Savings Program

Provide your employees with a better retirement income roadmap.

➤ The challenge

To help employees grow their retirement savings through a platform that is easy to administer for employers.

➤ The answer

BCTA's group retirement savings program, offering financial education and reasonable fees to employees and flexibility, a superior level of oversight, and bargaining power to employers.

About iA Financial Group

iA Financial Group is Canada's 4th largest insurance company. It was selected by BCTA as the carrier of choice for the retirement savings program.

Help employees steer their long-term savings toward a chosen financial "destination".

Exclusively for BCTA members, the BCTA group retirement savings program is an easy-to-administer solution that helps you **nourish employee morale, retain your best people, and attract top talent.**

- Pre-approved, competitive fee structure
- Vesting period of up to two years of membership (within an RRSP-DPSP structure)
- Award-winning online employee experience through iA Financial Group's "My Client Space"

What's more, you have access to ready-made communication tools to increase employee engagement toward retirement planning, thanks to iA's Roadmap financial education program.

The power of your Association

The BCTA program combines the purchasing power of all participating employers, which allows for lower management fees for your employees.

Acting as plan co-sponsor, BCTA designed the program specifically for members and monitors fund performance along with our partner, Talon Benefits. The simplicity and ease of this program allows you to focus on what matters most—running your business.
