SPONSORSHIP OPPORTUNITIES

The BCTA annual golf tournament would not be as successful without the generous support of our sponsors.

Sponsors will be recognized through registration, signage and verbally at the event; on the BCTA website; and through the *Bulletin* newsletter, which is distributed to the full BCTA membership.

Tournament sponsorship opportunities include hole and activity sponsorships, food and beverage, golf carts, and awards. Please see the following Sponsorship Commitment Form for details.

Hole sponsors are asked to plan activities at their holes such as KP, long drive or straight drive competitions, hole-in-one opportunities, and/or provide food or non-alcoholic refreshments. Each sponsorship includes a lunch voucher and one attendee at the evening banquet for a non-golfing sponsor representative. Please see suggested activities on the Sponsorship Commitment Form.

Please note BCTA has a policy limiting the service of alcohol to two full hole sponsors.

A right of first refusal opportunity to serve alcohol will be offered to sponsors from the previous year. Other full hole sponsors who are interested in providing alcohol may contact BCTA to be placed on a waiting list.

Hole sponsors who are approved to serve alcohol must limit service to one stationary location at their hole, provide a server or supervisor with a "Serving it Right" certificate, and offer some food. Hard alcohol may not be served on its own but may be offered in mixed beverages and punches provided the alcohol content does not exceed that of an average cooler. Unopened bottles or cans may not be distributed to participants. Alcohol may not be served by roving or non-hole sponsors during the day. All alcohol must be purchased through the venue.
