

CleanBC Heavy-duty Vehicle Efficiency Program Incentives

YEAR THREE APPLICATION FORM

Please read the instructions below and ensure all required materials are included before submitting your application.

1. Completion of all fields on the form is mandatory.
2. Applications are to be submitted in person, by mail at the British Columbia Trucking Association (BCTA) office at 100 - 20111 93A Avenue, Langley, BC, V1M 4A9 or by e-mail to CleanBC@bctrucking.com. Your application has not been received until you receive email confirmation. If you do not receive an email confirmation within 2 business days, please contact Jennifer Cameron at 604-888-5319.
3. The application must include **a current copy of your company's National Safety Code (NSC) carrier profile demonstrating a "satisfactory" rating.**
4. BCTA will only review fully completed applications from companies that meet the eligibility requirements of the CleanBC Heavy-duty Vehicle Efficiency Program, including, but not limited to, the following:
 - At least one company representative must have successfully completed the CleanBC Heavy-duty Vehicle Efficiency Program Course prior to applying;
 - The incentives must be for eligible equipment to be installed on a heavy-duty vehicle (or vehicles) with a gross vehicle weight (GVW) greater than 11,794 kg and operated in BC;
 - The company must conduct business in BC; and
 - The company must have at least one terminal in BC.
5. BCTA will use third-party sources to verify models of qualifying equipment in each application and the estimated fuel savings associated with these models (for example, see [this link](#)).
6. BCTA will issue a Commitment Letter, upon approval of an application, to successful applicants following the close of the application period that will outline the equipment and incentive amount being offered through the CleanBC Heavy-duty Vehicle Efficiency Program. Upon receiving the letter, successful applicants will have:
 - 65 days to install/retrofit the qualifying equipment awarded through the Incentive Program on any existing vehicle, and/or
 - 120 days to install or take delivery of vehicles equipped with the qualifying equipment awarded through the Incentive Program on any new vehicle.

For complete details on the CleanBC Heavy-duty Vehicle Efficiency Program, see the [Program Guide](#).

Contact Information			
Contact Name:	Position:		
Company Name:			
Mailing Address:			
City:	Postal Code:		
Phone Number:	Email:		
NSC Number:	NSC Rating:		
BC Terminal Mailing Address, if different than above:			
City:	Postal Code:		
Is the company listed above an Indigenous company:	YES	NO	PREFER NOT TO DISCLOSE

I, (_____), certify that the information submitted on behalf of (_____) is true and correct to the best of my knowledge. I further understand that any false or inaccurate statements may result in denial or revocation of both incentive funding being applied for through this application and future participation in the CleanBC Heavy-duty Vehicle Efficiency Program.

I recognize that BC Trucking Association may approve all, part, or none of this application request for incentive funding and that no funding commitment is made until such time the BC Trucking Association provides a Letter of Commitment specifying the incentive funding being approved.

I further recognize that supporting documentation, including, but not limited to purchase orders, work orders, etc., for incentive funding approved by BC Trucking Association, as outlined by the Commitment Letter, will be required prior to the distribution of incentive funding and that BCTA reserves the right to inspect the vehicle to confirm the equipment has been installed up to one year after the installation date. And lastly, I recognize that all installation work, in which incentive funding is approved for, must be completed in the Province of British Columbia.

I certify that I have read and understand the CleanBC Heavy-duty Vehicle Efficiency Program details outlined in the [Program Guide](#).
