

EXECUTIVE DIRECTOR SAFETYDRIVEN - TRUCKING SAFETY COUNCIL OF BC (TSCBC)

SafetyDriven - Trucking Safety Council of BC (TSCBC) is seeking an Executive Director to lead the organization as it fulfills its mandate to address the occupational health and safety needs of the trucking industry in the province.

SafetyDriven - TSCBC is an industry-led association dedicated to reducing injuries and fatalities through leadership, programs, services, communication and certification. SafetyDriven - TSCBC falls under the legal umbrella of the BC Trucking Association, but has a separate governance structure comprised of a volunteer Management Committee and Board of Directors.

Reporting to the President & CEO of the BC Trucking Association, the Executive Director manages the organization's operations in a fiscally responsible manner, and implements the business plan which involves developing and marketing a variety of programs and services to influence a reduction in injuries and fatalities. The Executive Director is also responsible for successfully overseeing the organization's role as the Certifying Partner for the trucking industry Certificate of Recognition (COR) program.

The ideal candidate is a progressive not-for-profit executive whose strategic leadership, knowledge and experience has resulted in measurable achievements across a significant geographical scope in previous roles. Superior interpersonal and communication skills and a proven ability to create a positive and enthusiastic work environment are hallmarks of a suitable candidate. Exceptional stakeholder and member relationship skills as well as solid planning, execution and general business acumen are required.
