

Winter Maintenance Conference Sponsorship Opportunities

BCTA is organizing a Winter Maintenance Conference being held on Tuesday, October 1, 2019 at the Coast Langley City Hotel & Convention Centre. The half-day event will feature presentations by Ministry of Transportation & Infrastructure and WorkSafeBC senior representatives and provide valuable information through networking as well as equipment and service displays.

In order to provide a high quality and well attended event, BCTA is seeking sponsors to assist in covering expenses. Sponsors are highlighted to attendees and the full BCTA membership through promotion before the event, signage and verbal acknowledgement at the event, on the BCTA website, in the weekly *Bulletin* newsletter after the event, and the potential for a small display space.

All sponsors are provided with the opportunity of a display space which includes a 6' draped table or equivalent room for free-standing roll-up banners or small pop-up display units. Access to an electrical outlet can be arranged for select spaces if desired. Space is limited and will be allocated on a first-come, first-served basis. Sponsor details and requirements will be confirmed as commitment forms are received.

Information sessions such as this could not take place without the generous assistance of our member sponsors; your support is greatly appreciated. Following are available sponsorship opportunities. If you have any questions, please contact Sandra Stashuk at the BCTA office.

Sponsorship Opportunities: Sponsorship Amount:

Platinum:	\$3,000 (includes welcome message)
Gold:	\$2,000
